

DOCTOR OF SCIENCE IN ODONTOLOGY (5911)

G.70 ADMISSION

Unless Senate decides otherwise, candidates will be required to meet the following criteria to be enrolled for the programme: **Doctor of Science in Odontology - DSc (Odont)**

- G.70.1** A prospective student should give the Faculty notice in writing, not less than one year in advance, of his/her intention to present him or herself for the degree, stating the title(s) and scope of the work(s) proposed.
- G.70.2** Holds a PhD degree, or another qualification deemed by the Senate to be of equal standing.
- G.70.3** Has to the University's satisfaction, performed advanced original research and/or creative work in the field of Dentistry.
- G.70.4** Has published, original, research in accredited journals that are of a high standard, that deal with a central theme and that in the Senate's opinion are evidence that the candidate has made a contribution of substance and of high quality to the enrichment of knowledge in the field of Dentistry.
- G.70.5** Has been registered as a student at this University for not less than one academic year before conferment of the degree.

G.71 SUBMISSION OF THESIS

- G.71.1** A candidate must submit three copies of the thesis to the University Offices by the closing date in May (if he or she wishes to graduate in September), or mid-November (if he/she wishes to graduate in March), including the prescribed declaration to the effect that the thesis and its publications have not previously been submitted to any university for a degree.
- G.71.2** If a significant portion of the works has not been published under the candidate's own name alone, s/he shall furnish satisfactory evidence of his/her own share in the work, who initiated the work, under whose guidance it took place, who performed the work, who put it in writing, and what part of the work, if any, has previously been submitted to the university for a degree.

G.72 OPERATION OF GENERAL PROVISIONS

The General Rules for Doctor's Degree (A1, 2.1, 2.5, 3, 3.4, 4.4, 5.1, 5.5 & 6) are applicable.
