- C.138.3** In order to be admitted to the examination in a module, a student must obtain a coursework mark of not less than 50% or may qualify for assessment in accordance with Rule A.5.3.5.

- C.138.5** A student who has failed a module may repeat it once with the special permission of Senate (Rule A5.4.2 (d)).
- C.138.6** The mini-thesis, based on the approved research proposal, is evaluated by a supervisor, an internal examiner and an external examiner appointed by Senate on the recommendation of Faculty.
- C.138.7** A final mark of at least 50% is required for each of the coursework modules and for the mini-thesis.

## **C.139 PROGRESS RULES**

## **C.141 SPECIAL REQUIREMENTS FOR THE PROGRAMME**

- C.141.1** Modules that are compulsory for a specific programme are indicated where applicable.
- C.141.2** In any of the structured Masters programmes listed above, students may include one elective from any of the postgraduate modules offered in other programmes. Recommendations by the relevant departmental chairpersons are required in such a case.
- C.141.3** Please note that not all modules may be offered in a particular year. Candidates are advised to consult the relevant department for more information in this regard.
- C.141.4** A Masters mini-thesis of approximately 20 000 words (90 credits) is required for all the structured Masters programmes in the Faculty of Arts. This mini-thesis will contribute 50% to the final mark. Please consult the brochure on Procedures for Post-graduate research in the Faculty of Arts for detail on the requirements and procedures that have to be followed in this regard.

- C.141.5** Students may not select a module for a Masters programme if they have already been credited for an Honours module with the same title. In most cases, this implies that a student may not select two modules in the same discipline where the last two digits of the module codes are the same. For example: Students who were credited for Linguistics 732 will not be credited for Linguistics 832 because the course content is of a similar nature.
- C.141.6** The module on Research Methodology (Religion and Theology 811) will no longer be offered.
- C.141.7** Various institutions in the Cluster of Theological Institutions in the Western Cape offer structured masters courses in religious and theological subjects. An agreement has been reached between the following institutions to allow students registered for a structured masters degree at one of the participating institutions (home institution) to complete certain components of the course at any of the participating institutions (host institutions):
- Department of Religion and Theology, University of the Western Cape; Faculty of Theology, University of Stellenbosch and relating departments at the University of Stellenbosch.
  - Department of Religious Studies, University of Cape Town.
  - Andrews University (Michigan, USA) (Extension Campus, Helderberg College).
- C.141.8** On the basis of this agreement, students registered in the Department of Religion and Theology, University of the Western Cape, may follow courses towards a structured master's degree offered by any other participating institution. On successful completion of such courses, the University of the Western Cape will credit students for those modules of the structured MTh/MPhil that were substituted by the courses completed at the other institutions. The following procedure applies:
- C.141.8.1** Written applications must reach the Faculty Office of the Faculty of Arts at least two weeks before the final date of registration at the University of the Western Cape.
- C.141.8.2** A student must indicate clearly which module or modules offered by the Department of Religion and Theology at the University of the Western Cape he or she wishes to substitute and which course or courses offered at a specified participating institution he or she wishes to do instead.
- C.141.8.3** The mini-thesis and the compulsory modules in Research Methodology may not be completed through the exchange programme.
- C.141.8.4** Students may register at the University of the Western Cape for the specified component of the structured master's programme which is to be substituted by taking part in the exchange programme.
- C.141.8.5** Students do not need to register or meet the financial obligations for registration and tuition at host institutions. Students will therefore register at the University of the Western Cape only.
- C.141.8.6** Detail concerning structured courses for master's degrees offered at the University of the Western Cape is available from the Department of Religion and Theology and/or from the participating institutions.
- C.141.8.7** Applicants taking part in this exchange programme are subject to approval of host institutions.
