	<b>TOTAL</b>	<b>270</b>

### **J.181 ASSESSMENT**

Assessment is governed by Rule A.5 as stipulated in the University Calendar: General Information Part 1.

### **J.182 PROMOTION RULES**

Unless Senate decides otherwise and subject to Rule A.3.2.3:

#### **J.182.1 Level 1**

A student shall be promoted to the 2<sup>nd</sup> Level of study on obtaining 140 credits of the 1<sup>st</sup> Level modules including all modules in group 1, and provided that all the pre-requisites are met and there are no timetable clashes.

#### **J.182.2 Level 2**

A student must have successfully completed all prescribed modules and obtained a total of 270 credits to complete the degree.

### **J.183 ADVANCE REGISTRATION**

If a student does not promote to the 2<sup>nd</sup> Level of study, the student may be allowed to register for 2<sup>nd</sup> Level modules, provided that s/he has completed at least 105 credits and should not take more than 90 credits in total, consisting of repeating credits plus anticipated credits. And provided that the pre-requisites are met and there are no timetable clashes.

### **J.184 RENEWAL OF REGISTRATION**

The renewal of registration will be governed by the Rule A.3.2.3, as stipulated in the University Calendar: General Information Part 1.

### **J.185 SPECIAL REQUIREMENTS FOR THE PROGRAMME**

**J.185.1** Every School of Natural Medicine student must, in accordance with the requirements of the Allied Health Professions Council of South Africa, register as a School of Natural Medicine student within two months after admission to the programme.

**J.185.2** Thereafter the student must ensure that they register for each year while within the programme.

**J.185.3** Where a student interrupted his/her studies for more than one academic year, and where the curriculum or module content has changed, the student will be expected to register for the additional module(s) or attend classes and write additional tests/assignments on work not covered during the student's time of study.

**J.185.4** After successful completion of the course, students may be required to complete a Board exam in order to be registered with the Allied Health Professions Council of South Africa (AHPCSA). Professional graduates may enter private practice following AHPCSA registration. All professional programmes lead to registration with the Allied Health Professions Council of South Africa (AHPCSA) after successful completion of the course. Professional graduates may enter private practice or work within the Health Care system of South Africa when the situation has changed.
